

Comfort Food

(music and lyrics by Antti Nissilä)

F#6/9 Amaj7 G6 F#sus/G
The remote is under the pillow, or maybe behind it.
F#6/9 G#m/A Amaj7 G6
I've heard enough of these gloomy news today.
F#m9 Amaj9 Fmaj7
So baby, if you switched it off, I wouldn't mind it.
Ebmaj7 Eb7(b5) B7(b5) Bm7/E
Guess they'd tell us soon that the locusts are on their way.

Amaj7 Bm7 C#7 F#m7
So let's just have a cup of tea, and maybe just a little bit of comfort food!
Dmaj7 C#m7 Dmaj7 Bm7/E
Let's sit by the window, and watch the time go by,
Amaj7 Bm7 Fmaj7 A/E
'cause we know that if the sky should fall, and even if the web went down for good,
B/D# Dmaj7 C#7sus F#m/B
our love would do survive, no matter if the end was nigh!

F#6/9 Amaj7 G6 F#sus/G
I know, it's hard to keep high future expectations,
F#6/9 G#m/A Amaj7 G6
when we seem to learn our lessons all too late.
F#m9 Amaj9 Fmaj7
Clowns and crooks and conmen rule the nations,
Ebmaj7 Eb7(b5) B7(b5) Bm7/E
and humankind still punches below it's weight.

Amaj7 Bm7 C#7 F#m7
But let's take a sunset walk now, and then we'll deserve some comfort food
Dmaj7 C#m7 Dmaj7 Bm7/E
Let's sit by the lakeside, and hear the seagulls cry,
Amaj7 Bm7 Fmaj7 A/E
'cause we know that if the sky should fall, and even if the web went down for good,
B/D# Dmaj7 Bm7/E A Bm7 C#7 F#m7
our love would do survive, no matter if the end was nigh!

Dmaj7 C#m7 Dmaj7 Bm7/E Amaj7 Bm7 Fmaj7
Let the horsemen arrive, and let the trumpets blast!
B/D# Dmaj7 C#7sus F#5
Our love will survive, and will be standing last.
